Harry Potter Birthday Parties

Is your child mad about Harry Potter, and would love a HP themed party? At Scoffed we believe in creating magic just like Harry, so have designed a birthday party especially for Harry Potter fans.

More relevant for children age 8+ our themed parties are at least 2 hours of full on entertainment with lots of giggles for the kids and food included.

Harry Potter themed parties involve making 2 dishes:  
Sorting Hat Cake Pops or Golden Snitch Truffles and Butter Beer.

Your guests will enter via our secret Platform 9  $\frac{3}{4}$  into our café area where they will be welcomed by our very own Dumbledore Chef who will teach them how to create magic in the fully decorated in theme Kitchen. Kids are encouraged to dress up too as prizes will be awarded for the best dressed and best dish created on the day.

### Costs and Extras:

The basic package costs \$570 and includes 12 guests and HP decorations.

You can then make it even more Harry like by adding the following:

HP celebration cake: \$145

HP Helium balloons: \$30

HP party bags: \$12.50

## How it works:

The kids cook in groups of up to 4 and work together to create their dishes.

All of our dishes are made from scratch without using preservatives or additives.

Parents are welcome to relax and watch from the comfort of our café.

As hosts all you need to do is give out aprons and write nametags, we take care of everything else.

Recommended age is 8+ due to the complexity in the dishes, but younger children can attend as long as they are supervised by an adult.
